# PARENT PAYMENT ARRANGEMENTS 2021

## YEAR 7

Dear Parent/Carer

Sandringham College is looking forward to another great year of teaching and learning and would like to advise you of Sandringham College's parent payment arrangements for 2021.

Due to new parent payment policy requirements provided to us by the Department of Education and Training in 2020, there have been some small changes to the fee schedule provided to families. We still maintain our commitment to not raising fees for families and minimising the cost of providing an outstanding education. The school relies on parents paying the optional items in order to run a high quality, robust learning program. As a school we include all incursion/excursion and additional costs through the parent payment schedule to avoid unseen costs to families. Parents who choose not to contribute, or who are unable to pay the optional fees, will be charged only the excursion/incursion/specialist programs component for each subject. These are clearly indicated in bold, next to each subject. We will also charge \$50 for the provision of a student card and Compass modules related to student learning.

Please find the fee schedule for Year 7 attached. Please complete this form and return to the school by **15/2/2021** so the school can prepare accordingly.

### Financial Support for Families

The College understands everyone's financial situation is different and we believe that no student should miss out on essential programs and opportunities. Our Business Manager and Wellbeing Team are very approachable and are more than willing to listen to any issues you may have. We may negotiate a payment plan over a longer period. Rest assured, we want everyone to support the school with payments because all students will benefit – but we are also very sympathetic to people's circumstances and we will work with you on a plan.

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements please contact the school and speak to our Wellbeing Team / Business Manager; alternatively you may like to speak to your child's Student Manager. We believe that no child at our school should miss out on the opportunity to fully participate in all school programs.

### Payment Methods

- Full payment to be made before the due date 15/2/2021 by BPay or cheque/cash/EFTPOS/credit card at offices

# PARENT PAYMENT ARRANGEMENTS 2021

## YEAR 12 VCAL

Dear Parent/Carer

Sandringham College is looking forward to another great year of teaching and learning and would like to advise you of Sandringham College's parent payment arrangements for 2021.

Due to new parent payment policy requirements provided to us by the Department of Education and Training in 2020, there have been some small changes to the fee schedule provided to families. We still maintain our commitment to not raising fees for families and minimising the cost of providing an outstanding education. The school relies on parents paying the optional items in order to run a high quality, robust learning program. As a school we include all incursion/excursion and additional costs through the parent payment schedule to avoid unseen costs to families. Parents who choose not to contribute, or who are unable to pay the optional fees, will be charged only the excursion/incursion/specialist programs component for each subject. These are clearly indicated in bold, next to each subject. We will also charge \$50 for the provision of a student card and Compass modules related to student learning.

Please find the fee schedule for Year 12 VCAL attached. Please complete this form and return to the school by **15/2/2021** so the school can prepare accordingly.

### Financial Support for Families

The College understands everyone's financial situation is different and we believe that no student should miss out on essential programs and opportunities. Our Business Manager and Wellbeing Team are very approachable and are more than willing to listen to any issues you may have. We may negotiate a payment plan over a longer period. Rest assured, we want everyone to support the school with payments because all students will benefit – but we are also very sympathetic to people's circumstances and we will work with you on a plan.

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements please contact the school and speak to our Wellbeing Team / Business Manager; alternatively you may like to speak to your child's Student Manager. We believe that no child at our school should miss out on the opportunity to fully participate in all school programs.

### Payment Methods

- Full payment to be made before the due date 15/2/2021 via Compass (recommended)
- Full payment to be made before the due date 15/2/2021 by BPay or cheque/cash/EFTPOS/credit card at offices
