1 Purpose and Rationale

To outline the processes that Sandringham College will follow to recruit, screen, supervise and manage volunteers to provide a child safe environment, and to explain the legal rights of volunteers.

This policy applies to the recruitment, screening, supervision and management of all people who volunteer at our school.

2 Policy Goals

Sandringham College is committed to implementing and following practices which protect the safety and wellbeing of children and our staff and volunteers. Sandringham College recognises the valuable contribution that volunteers provide to our school community and the work that they do.

The procedures set out below are designed to ensure that Sandringham College's volunteers are suitable to work with children and are well-placed to make a positive contribution to our school community.

3 Implementation

3.1 Becoming a volunteer

Members of our school community who would like to volunteer are encouraged to attend our PTF meetings and follow the College Newsletter and Compass posts for opportunities. Volunteer work at the school may include

- Carrying out the functions of a school council
- Any activity carried out for the welfare of a school, by the school council, any parents' club or association or any other body organised to promote the welfare of the school
- Any activity carried out for the welfare of the school at the request of the principal or school council
- Providing assistance in the work of any school or kindergarten
- Attending meetings in relation to government schools convened by any organisation which receives government financial support

3.2 Suitability checks including working with children checks

3.2.1 Working with students

Sandringham College values the many volunteers that in our classrooms/with sports events/camps/excursions/school concerts/other events and programs. To ensure that we are meeting our legal obligations under the *Work Screening Act* and the Child Safe Standards, Sandringham College is required to undertake suitability checks which may include a Working With Children Check, proof of identity, work history involving children and/or reference checks.

Considering our legal obligations, and our commitment to ensuring that Sandringham College is a child safe environment, we will require volunteers to obtain a WWC Clearance and produce their valid card to the school for verification to the HR Manager in the following circumstances:

- Volunteers who are not parent/family members of any student at the school are required to have a WWC Check if they are engaged in child-related work regardless of whether they are being supervised.
- Parent/family volunteers who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer's child is **not** participating, or does not ordinarily participate in, the activity.
- Parent/family volunteers who assist with excursions (including swimming), camps and similar events, regardless of whether their own child is participating or not. Note that volunteers who are parents, or closely related family members of a child at the school who volunteer as part of an activity that their child is participating in or usually participate in are **not** required to have a WWC Check under the Worker Screening Act. However, Sandringham College requires parents to obtain one in these circumstances given the degree of contact volunteers may have with students in these situations.
- Parent/family volunteers who regularly assist in school activities, regardless of whether their own child is participating or not. Note: volunteers who are parents, or closely related family members of a child at the school who volunteer as part of an activity that their child is participating in or usually participate in are not required to have a WWC Clearance under the Worker Screening Act. However, Sandringham College requires a WWC Clearance in circumstances where the parent is regularly volunteering given the degree of contact volunteers may have with students in these situations.
- Parent/community School Council members sitting on School Council with student School Council members, regardless of whether their own child is a student member or not. Note: under the Worker Screening Act, school council members are not required to have a WWC Clearance. However Sandringham College recommends that School Council members obtain a WWC Clearance in circumstances where they will be working alongside student School Council members. This would support compliance with the Child Safe Standards which require schools to implement practices for a child-safe environment, including making appropriate suitability checks (at the discretion of the school) for any work performed by an adult where children are present or reasonably expected to be present.

In addition, depending on the nature of the volunteer work, our school may ask the volunteer to provide other suitability checks at its discretion (for example, references, work history involving children and/or qualifications). Proof of identity may also be required in some circumstances.

3.3 Non child-related work

On some occasions, parents and other members of the school community may volunteer to do work that is not child-related. For example, volunteering on the weekend for gardening, maintenance, working bees, parents and friends club coordination, fete coordination, other fundraising groups that meet in the evenings during which children will not be, or would not reasonably be expected to be, present.

Volunteers for this type of work are not required to have Working with Children Clearance or other suitability checks as they are not engaged in child-related work and children are not generally present during these activities. However, Sandringham College reserves the right to undertake suitability checks, including proof of identity, Working with Children Clearance, at its discretion if considered necessary for any particular activities or circumstances.

School council members and volunteers on any sub-committee of school council will be asked to provide a valid WWC Clearance. Whilst we acknowledge that these volunteers will not be engaging in child-related work as part of their role, even when there is a student sitting on the school council, we believe that it is important that our volunteers who are involved in making important decisions about our school which will have an impact on students do have a valid WWC Clearance.

3.4 Training and Induction

Under the Child Safe Standards volunteers must have an appropriate induction and training in child safety and wellbeing.

To support us to maintain a child safe environment, before engaging in any work where children are present or reasonably likely to be present, volunteers must familiarise themselves with the policies, procedures and code of conduct referred to in our Child Safety Induction Pack and ensure the actions and requirements in these documents are followed when volunteering for our school.

Depending on the nature and responsibilities of their role, Sandringham College may also require volunteers to complete additional child safety training.

3.5 Management and supervision

Volunteer workers will be expected to comply with any reasonable direction of the principal (or their nominee). This will include the requirement to follow our school's policies, including, but not limited to our Child Safety and Wellbeing Policy, our Child Safety Code of Conduct and our Statement of Values and School Philosophy. Volunteer workers will also be expected to act consistently with Department of Education and Training policies, to the extent that they apply to volunteer workers, including the Department's policies relating to Equal Opportunity and Anti-Discrimination, Sexual Harassment and Workplace Bullying.

The principal, or their nominee, will determine the level of supervision required for volunteers, depending on the type of work being performed, and with a focus on ensuring the safety and

wellbeing of students. The Principal has the discretion to make a decision about the ongoing suitability of a volunteer worker and may determine at any time whether or not a person is suitable to volunteer at Sandringham College.

3.6 Privacy and Information Sharing

Volunteers must ensure that any student information they become aware of because of their volunteer work is managed sensitively and in accordance with the [Schools' Privacy Policy](#) and the Department's policy on [Privacy and Information Sharing](#)

Under these policies, student information can and should be shared with relevant school staff to:

- support the student's education, wellbeing and health;
- reduce the risk of reasonably foreseeable harm to the student, other students, staff or visitors;
- make reasonable adjustments to accommodate the student's disability; or
- provide a safe and secure workplace.

Volunteers must immediately report any child safety concerns that they become aware of to a member of staff to ensure appropriate action. There are some circumstances where volunteers may also be obliged to disclose information to authorities outside of the school such as to Victoria Police. For further information on child safety responding and reporting obligations refer to: *Child Safety Responding and Reporting Obligations Policy and Procedures*.

3.7 Records Management

While it is unlikely that volunteers will be responsible for any school records during their volunteer work, any school records that volunteers are responsible for, must be provided to the HR Manager to ensure they are managed in accordance with the Departments policy – Records Management-Schools.

3.8 Compensation

3.8.1 Personal injury

Volunteer workers are covered by the Department of Education and Training's Workers Compensation Policy if they suffer personal injury in the course of engaging in school work.

3.8.2 Property damage

If a volunteer worker suffers damage to their property in the course of carrying out school work, the Minister (or delegate) may authorise such compensation as they consider reasonable in the circumstances. Claims of this nature should be directed to the principal who will direct them to the Department's Legal Division.

3.8.3 Public liability insurance

The Department of Education and Training's public liability insurance policy applies when a volunteer worker engaged in school work is legally liable for:

- A claim for bodily injury to a third party
- Damage to or the destruction of a third party's property
