

Bring Your Own Device Overview for Parents

BYOD is tech selection for parents, made easy

We've partnered with your children's schools to equip them with the right technology and prepare them for success.

As a parent, you want your children to have the best technology available for learning. However, affordability and finding the devices that meet their school's specific ICT processes and curriculum requirements can cause headaches.

That's where our Bring Your Own Device Program (BYOD) can make a world of difference.

Helping students to shine

JB Hi-Fi Education's BYOD is the easy way to motivate students with education-specific technology that's compatible with their school and designed for the rigours of their student life.

Education pricing means great value. Extended warranty and insurance options facilitate consistency of learning, whether at home or in the classroom.

New BYOD portal!

At JB Hi-Fi Education, we're constantly looking for ways to enhance our technology and services to provide you with the best possible experience.

The new portal incorporates a refreshed look and a mobile responsive design to conveniently shop any device.

JB Hi-Fi Education
Better for Education

JB Hi-Fi Education

Why choose JB Hi-Fi Education?

With JB Hi-Fi Education BYOD, our devices are pre-selected by your school, so you should feel reassured that the technologies you're purchasing work seamlessly and securely in the classroom, on the go and at home.

Your children engage in learning through the latest technology while being armed with the skills they will require in their professional lives.

Better learning is just a click away with our BYOD program

- Specialised products approved by your school with school-specific software.
- Commercial pricing for the education sector.
